A note from the principal

Mrs. Katherine Flaherty

Dear Seniors,

There is a Chinese proverb that states, "Learning is a treasure that will follow its owner everywhere." It is our hope that you have gathered many treasures during your years at MHS.

It has been my pleasure to work with you over the last three years. I thank you for all that you have done to make MHS a great place to work and learn. Congratulations and best wishes for a wonderful future.

Sincerely yours,
Mrs. Katherine C. Flaherty
Principal

A note from the superintendent

Dr. Robert Sullivan

Class of 2008,
Be proud of your accomplishments. As a class, you experienced much change during your four years at Middleborough High. You entered our high school as a young teenager with an uncertainty about your future. As a senior, though a degree of uncertainty remains, you now have aspirations and dreams to pursue. Use the knowledge, skills and experiences learned at Middleborough High as building blocks as you continue to grow and become productive and caring members of our community. Best wishes in all of your endeavors.

Sincerely,
Robert M. Sullivan, Ed.D.

Mrs. McKenna

Faculty Farewells

Mrs. Ledoux

Mrs. McKenna

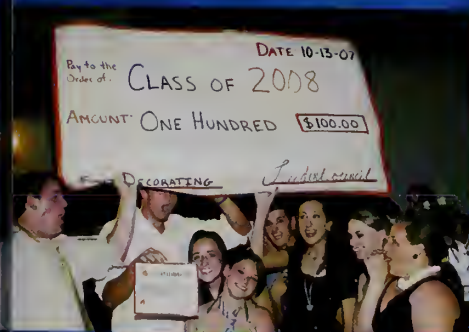

Mrs. Margaret McKenna retired in November 2007 after 19 years of teaching history at Middleboro High School. Mrs. McKenna shared her passion for American history with many high school students over the years. She demonstrated this passion by teaching Advanced Placement U.S. History, the first AP course offered at Middleboro. Each year she accompanied students to Washington D.C. on the annual "Close-Up Washington" trip. Mrs. McKenna will begin teaching again at the Samuel Fuller Academy in the fall of 2008. Her insights on our country's past and her enthusiasm for teaching will be greatly missed at MHS!

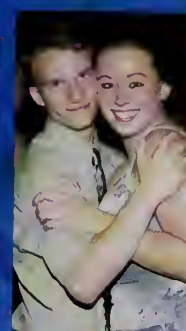

Mrs. Ledoux

Mrs. Bernice Ledoux, a French and Spanish teacher here at MHS, will be retiring in June, at the end of the 2007-2008 school year. Mrs. Ledoux began teaching at Middleboro High over 26 years ago. She initially taught French only, but returned to school part way through her teaching career to learn how to teach Spanish as well. Mrs. Ledoux has been teaching both French and Spanish for the past fifteen years. She loves language and will no doubt use her skills as a tri-lingual after she has finished teaching. Mrs. Ledoux will always be remembered for her dedication to teaching and her commitment to the students at Middleboro High.

In December 2007, the Class of 2008 brought back their annual fundraiser "Breakfast with Santa." "Breakfast with Santa" is an event that the Class has put on every year since their freshmen year. Not only does the event help them to raise money for their class, but it also gives them an opportunity to reach out and bond with members of the community. This year, the members of the senior class invited families from Middleboro to join them, and their special guest, Santa Claus, for snacks, crafts, games and face-painting. The kids from Middleboro were able to get their picture taken on Santa's lap and had their pick of tasty donuts, muffins, and juice. Because families paid to participate in the event, the Class of 2008 was able to make a large profit each year. The seniors might agree however, that the greatest reward for having "Breakfast with Santa" came from the joy and excitement that they brought to the local kids during the Holiday season.

Kara Solomon

"Oh what a tangled web we weave." I always thought that was Shakespeare, apparently it's Sir Walter Scott. Anyway, looking back on it, it's amazing how true it is. Things change, as do people, and the smallest things often give way to the biggest consequences. High school has been the best experience of my life by far. I've learned so much about myself and life in general. I can only hope the rest of my life will be even more amazing. From learning to love Shakespeare to discovering my passion for theatre, I wouldn't change a thing I've done; only the things I didn't.

Pep Rally

The Class of 2011 won Gym Decorating this year. Their cleats weren't only made for crushing Carver, but the upperclassmen as well. It was also revealed that they have the most students on the Honor Roll. However, the Class of 2008 dominated in Pep Rally games. The Seniors won the first round of games and secured themselves a spot in the championship game. The Sophomores won the second round which sent them to face the Seniors. Although they tried valiantly, the Sophomores were no match for the Seniors. But the real excitement was for the football team before their Thanksgiving Day match against Carver.

Besides filming school plays, concerts and sporting events, TV-pro students put together their own television series like "Sachem News Break" and "Listen Up" and they also help produce the DVD yearbook supplement. Students don't just sit at desks to learn, they report to the Middleboro Fire Station for two blocks every day. They receive classroom instruction and attend live staged fires. These students learn what it takes to become a firefighter first hand. This year students were involved in a search and rescue and many other real life scenarios. By the end of the school year students walk away with a knowledge which will not be forgotten, as well as a new respect for the fire department and the dangers that firefighters face.

Police Interns

Each year a few selected seniors who are interested in law enforcement participate in the police intern program. These students learn the basics of what it means to be and become a police officer. They learn how to use the dispatch system by answering phones and listening on the radio as well as sitting in on different court cases. Most of the opportunities are rewarding, but they still have to learn all the paperwork behind it. During their clerical work, students enter citations into the computer while also doing other various paperwork. At the end of their internship these students will be able to better understand the law enforcement world as well as what it takes to become an officer of the law.

Winter Ball 2008

On February 9th, 2008, the Middleboro High School Student Council hosted the first ever "Winter Ball" dance in the high school gymnasium. The dance was semi-formal and students were allowed to invite friends from other schools. Not only was the event a fundraiser for Student Council but it was also a fundraiser for Winter Sports. Part of the proceeds from the dance were donated to the Middleboro Athletic Program. The Winter Ball was a great success with the help of dance chairs Rebecca Abi-Saad and Emily Richardson.

2007 Baseball

The 2007 Middleboro Sachems baseball team had another tournament year, but unfortunately making a second round exit versus Bishop Stang. They finished among the top teams in the Patriot League as well. The Sachems had consistently strong defense throughout the year and were carried into the tournament by a committed senior class consisting of Justin Wilson, Josh Shelters, Mike Hughes, Mike Tucker, Evan Chand, Zach Porter, Matt Cotter, Dan Miller, Dan Mello and Troy Morse. Each played an important role in the success of the team during the regular season. The rest of the gaps in the roster were filled with an outstanding supporting cast including juniors Matt Pilla, Nick Bean, Matt Maloof, Shawn Tuite, Tyler Hughes, Brent Lydon, Billy DeLuca and Justin Salvador and sophomores Tony Miranda and Evan Anderson. Coach Lawrence and the Sachems this year look to make a deeper run into the tournament despite losing ten devoted seniors.

Lindsey Hills and Emma Harnett make a great play at second base.

The 2007 softball season was both fun and successful. After a slow start, dropping three of the first four games, the Sachems came roaring back with five straight wins. Led by eight strong seniors, supported by underclassmen at catcher, shortstop, left field, centerfield and freshman pitcher Amber White, this team was a dynamic, fast and talented group. With skill and determination, the team finished the regular season in second place in the league and qualified for state tournament play. A tough and close first round loss brought the season to an end, but it was a season to look back on, and be proud of, as there were many successful personal and team accomplishments.

2007 Boys Tennis

The boys tennis team made great strides in the 2007 season, finishing with five solid wins. Anchored by captains Evan Pittsley and Mark Cunningham, the team played hard despite a very challenging Patriot League schedule. Brendan Morse and Scott Fanara each split time at 1st singles, while Seniors Mark Cunningham and Arthur Battistini provided some veteran leadership on the court. At doubles, Marc Turner, Tyler Schofield, Scott Chamberlain and Will Bradford all performed very well, demonstrating their hard work ethic and dedication to the sport.

2007 Girls Tennis

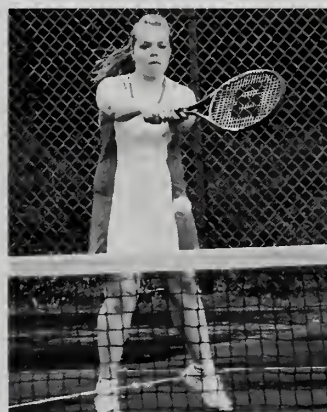

The 2007 lady Sachem tennis team had a rebuilding year under the leadership of senior captain Kristina Legge and other upperclassmen teammates. The team, composed of more than 30 members, improved their game a great deal this year and had fun doing it. Many freshmen members of the team impacted the team in a very positive way. Lacey Craig and Meaghan Lazarovich will lead the team in the 2008 campaign as the freshmen from 2007 and the new batch of 2008 create an even stronger foundation for the program.

MHS Sachems in the Relay Race

2007 Boys team was one of the most successful in recent memory. The team was led by Steve Chamberlain, Chris Brady and TJ Spillane. The team was competitive in every meet and three of the four losses were by five points or less. They competed successfully in a variety of invitational events. Much of the success came from the hard work of the young athletes who will return to improve the record and the team. The girls team was strong in the field events and enabled the girls to finish in 5th place at the league meet. Ashley Kelly was team MVP, was league champ in the shot and disc and was voted Patriot League All Star. Desiree Silva was awarded the Patriot League Sportmanship award. Mary Farley placed 3rd in the javelin at the league meet. Hallie Leonard placed 2nd in the high jump and Allie Muirhead placed 4th in the shot. Both Courtney Simao and Courtney Libby had excellent seasons. Good luck to all the seniors. You will be missed.

Football

While the Sachem Football Team had a 4-7 season record, it could have easily been 8-3 or better with a couple of breaks. Four tough losses were decided by three points or less and the Sachems were ahead at halftime in nine of the eleven games. Once again, offensive production was good as the team averaged 20 pts a game. The team was led by senior captains Nick Bean, QB/End/Safety, Matt Pilla, RB/Safety, and Peter Teed, RB/LB as well as senior Brent Lydon, Brendan Morse, Tim Green, Andrew Sederquist and Sean Youdis. The Sachems also boasted two Patriot League All-Stars in senior DE Sam Andrade and junior MLB James Muirhead. Juniors Dom Bailey, Mark Jackson, Kitaro Allioth, Kyle Empey, Tony Barbato, Vince Henry, Tim Theriault and Stanley Wright played major roles on the team. Sophomores Cody Carvalho and Dylan Gabriel and freshman Zach Botelho were big contributors on both sides of the ball as well.

This year, the cheerleading squad helped to create a greater sense of spirit amongst the entire school. This squad was dedicated to the school and to each other. Everyone's time and effort paid off when the squad qualified for the state's regional competition. This achievement led to coach Jess' s unforgettable Turkey costume on Thanksgiving. The class of 2008 hopes that the squad continues to build school spirit and pride over the years.

The XC team could not have seen the kind of success they had this year without the leadership and hard work of the senior boys. Evan organized team strategy and pack running. He was a real motivator when times got tough. Joe Rose was the team's #2 scorer. This year was also all about the freshman class with seven freshman athletes. Under the senior's leadership they made huge improvements and had a lot of fun. Cameron, TJ and Devon gave 100% every day all season. None of the successes are more prevalent than those made by Sophomore Zach Maddigan. He was nominated for league all star, had six first place finishes, school record setting races, 7th place in the league meet and the list goes on. He was an inspiration to the team. The girls were led by senior captain and MVP Kaitlyn Heath, JV Captain (and next year's Varsity Captain) Elissa May, Senior Tori Paquin, Junior Kelsey Dewey, Sophomore Ani Varjabedian and Freshman Elaine Ezerins.

Boys Soccer

The Middleborough Boys Soccer team looks to a bright future. We have a great group of younger players moving up the ranks. The next two years will be defining years for this squad. This year, we had a group of players that were definitely tournament bound, if they stayed healthy! Once again, we had a senior group that led the team well. Senior Captains were Steve Johnson, Tyler Creeden, and Scott Fanara. Other seniors were DJ Footit, James McMahon, Kevin Muirhead, and Robert Margitich. Tyler Creeden was voted unanimously to the Patriot league All-Star team. Steve Johnson and sophomore, Andy Sukeforth were also voted to the All-Star team. Steve Johnson was voted to the Taunton Gazette All-Scholastic team.

To the Seniors, Coach Braga and Coach Dizel wish you all the success in your future endeavors. You deserve the BEST.

Girls Soccer

The 2007 Sachem Soccer Season was packed with action and suspense. Nearly half the games were decided by only one or two goals. With the leadership of our two seniors, Colleen Devereaux and Moira Twigg, also a captain, and Captains, Emma Harnett and Courtney Simao, this very young team played some amazing soccer. Motivated by the strong desire to play together, play hard, and be the best team they could be, this team was unified and highly competitive. There was never any team let down - no matter what the score or the game circumstances, every player played with their best effort until the last whistle. Sometimes that led to victory on the scoreboard, but always they were victorious. It was a season of accomplishments and a season to build on for the future. Moira Twigg and Emma Harnett were also named Patriot League All Stars.

Juniors Lyndsie Brouns, Samantha Fahey, Molly Driscoll, Julie Mitchell and Rachael Schuberth played solid all season with outstanding serving, setting and back row play. Coach Green looks forward to next season with a strong core of players returning. Some of the younger players show promise and will have to work hard during the off season to take it to the next level. Both varsity and JV players were a pleasure to coach. The 2007 season was a rebuilding year for the Varsity field hockey team. The team had only three returning veterans, Co-Captain Erika Grimes, Co-Captain Amanda Ehney and Tiffani Rea. Key positions were filled by younger players with little or no varsity experience. Each game, however, was played with great determination and a no quit attitude. Tremendous improvements were made by individual players and the team, with hard work in the off season the team is looking to be more competitive next season.

The Sachems' varsity Golf Team continued to progress in the face of stiff competition from its Patriot League opponents. Co-Captains Justin Handerhan and Steve Marble led the way with exceptional golf, as did senior Matt Maloof and juniors Nathan Bradstreet and Sean Siciliano. Senior Alex Guilmet came on as the season progressed, working his way from the practice squad all the way into the top six. Scott Chamberlain and Rob Donoghue also made steady contributions over the course of the season. The return of four of their top seven golfers should lead to more success in the 2008 season.

Ice Hockey

Led by seniors Brendan Lawrence (captain) in goal and forwards Billy DeLuca, Jake Holyoke, and Brent Lydon (assistant captains), the 2007-08 MHS ice hockey team took the ice with very high hopes. In addition to trying to qualify for its second straight State Tournament appearance, the team was looking to make some noise in the very competitive Patriot League, and noise it did with some memorable contests. Helping the senior captains battle some of the State's best ice hockey teams that make up the Patriot League, were senior classmates Nick Fauvell and Kyle Ladd on defense along with Dave Stone, Glenn Davis, and Alex Guilmet at forward. Fellow senior and the school's all-time leading scorer Ian McLachlan was dearly missed as some unforeseen circumstances prevented him from participating in all but three of the team's games.

Boys Basketball

The 2007-2008 Boys Basketball team led by Captains Joe Pauze, Nate Jackson, Nick Bean and Assistant Captain Justin Handerhan, reached a milestone by qualifying for the MIAA state tournament for the first time in 15 years. The boys started off the season to a blistering 7-3 start, but ran into a tough stretch at mid-season due to a very tough league schedule and injuries. The team had to win the last two games of the regular season to qualify for the tournament and did so with the support of family, friends and great fans. The regular season ended with the boys defeating Pembroke 54-53 on Senior Night, then East Bridgewater, 57-50 in a tough game on the road. The 2007-2008 boys basketball season will be one that's remembered fondly for years to come.

Wrestling

The MHS Sachem Wrestling team faced a challenging season, finishing with a record of 3-16. With forfeits at up to 7 weight classes, the Sachems had a difficult time winning in dual meet action, especially among the powerhouses that make up the Patriot League. The team participated in four invitational tournaments including the Rod Berry Memorial Tournament held at Middleboro High School. The event was perhaps the highlight of the early season, with three Sachems wrestling in the finals. James Muirhead and Shayne Stephenson each earned a first place finish. Theodore Paquin wrestled to a 2nd place finish while Dominique Grant grabbed a bronze medal. Captain James Muirhead led the Sachems in wins for the season. He won two invitational tournaments and won the championship at the Division 3 South and Division 3 State Tournaments. He finished 5th in the All State Tournament and earned a trip to the New England tournament. He entered the tournament with a record of 34 wins and 5 losses, with 23 pins.
